

Accenture General - Interview

APTITUDE

easy questions, 1hr, total 55 quest. , sectionwise cut off, one section was of eng questions as prepositions, antonyms, synonyms etc
another section included quest. on venn diag as studied in class 12th , other quest like coding, data interpretation, probability, blood relationship etc
essay of 10 mts. followed with written our topic was IT INDUSTRY IN INDIA

GD

The next round was GD the topic given to us was DRESS CODE IN COLLEGE, other topics included INDO US NUCLEAR DEAL, RAGGING, RETAIL HOUSES, SAAS BAHU SERIALS, EFFECT OF CELEBRITY STATUS ON JUDICIAL SYS etc in my grp, 6 of 12 were selected
remember to look at ur friends and not at the person taking GD speak fluently give chance to others also be grammatically correct

TECHNICAL

HR: Why 1 year gap?

ME: preparing for JEE and AIEEE

HR: What happened?

ME: couldn't clear cut off in chem and in AIEEE got MECH in BV Pune but I wanted EC or CS

HR: Why software even when u r EC student?

ME: coz IT is booming and its growth is very rapid and I want to be an integral part of it

HR: will it continue for the next 50 years

ME: yes

HR: What if it flunks next year?

ME: it won't happen

HR Why

ME: coz of many factors like increasing human resource in this field, increase in FDI due to it, etc

HR: What else u know about IT

ME: was a sub in second sem

HR: What u study in that?

ME: entropy, information, sdlc, phases of sdlc...

HR: What are the phases of sdlc

ME: told

HR: testing

ME: told

HR: coding

ME: sir it was in 2nd sem so don't remember that much

HR: ever done coding in C

ME: we just had DS in 4th sem so just know that much

HR: tell me everything u know about DS

ME: told

HR: application of DS apart from C

ME: linked list used to represent polynomials

HR: how

ME:told

HR:summer training

ME:told

HR:any quest for me

ME:asked about project assign in accenture

HR

It was simple with normal HR quest like why accenture, what if not selected, how do u rate ur chances here, bout u, ur family,relocation,co curricular activities,three indian IT companies so 8000 gave written and 151 got finally selected iwas also one of them thanks to ALLAH also, my family was always there for me and prayed for me
